The English Tudor style home of Joel and Debbie Baumgartner at [2715 Park Drive, St. Cloud](http://www.2715ParkDrive.com), is castle-like, with two turrets, or towers, and a small bridge leading to the front door with antique stained glass brought home from a house-salvaging trip in England. Newly remodeled inside, some of the castle elements are reflected in the interior. The pastoral backyard provides a view of the gently-flowing Sauk River, amongst oak, maple, and evergreens.

CARPE DIEM - Charles Wetherbee, violin; Amy Galluzzo, violin; Korine Fujiwara, viola; and Carol Ou, cello
One of the most unique and sought-after chamber ensembles on the concert stage today, the Carpe Diem String Quartet is a boundary-breaking ensemble that has earned widespread critical and audience acclaim. Carpe Diem is committed to pushing the limits of the classical string quartet and to changing the concert experience of chamber music and defies easy classification with programming that includes classical, Gypsy, tango, folk, pop, rock, and jazz-inspired music. Carpe Diem is bringing new audiences into the concert hall and revitalizing the chamber music experience.

"Extraordinary..." — The Washington Post

"The Carpe Diem Quartet brings clear enthusiasm for the music and obvious commitment." — Roderic Dunnett, The Strad
